

Team Captain

I am delighted to deliver some exciting news to Our Members at Cove CC

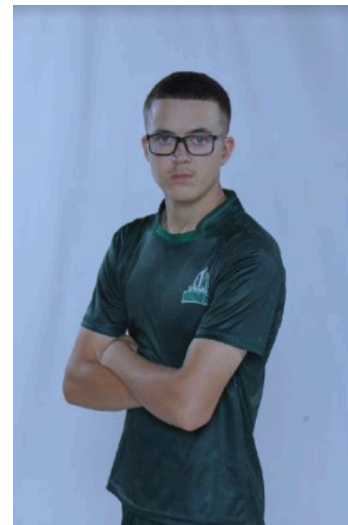

It gives me great pleasure to announce the signing of Dubs Wood as our new First team captain. Dubs will join us as player/coach as well as leading our first eleven into the 2025 season, Despite his age Dubs has a wealth of experience both playing and coaching.

A talented cricketer with good pedigree, Dubs operates as a left hand top order bat and a right arm off-spin bowler. He has played for Hampshire academy and made a 2nd eleven debut in 2021 as well as captaining all through his age group career. Making appearances

for Essex 2nd team(2022) and Berkshire most recently. Having played premier league cricket for Hampshire academy and most recently Basingstoke and North Hants. To continue his growth and gain experience, dubs has also travelled the world to play cricket in places like, Pakistan, India, Australia and South Africa. Working with mentors like Darren Sammy and Abdul Razzaq both technically and Tactically.

As a coach Dubs is a qualified Level 2 coach and has worked within the Julian Wood Cricket academy for a number of years, working in training camps in Florida, Canada, Australia and most recently as an executive coach for Bangla Tigers in the ZimAfro T10 franchise league.

Dubs also operates as a coach for 1:1 sessions and delivers coaching group sessions to both adults and Juniors.

With this wealth of experience we look forward to seeing Dubs get to work with both our senior and Junior groups. As well as leading our 1st team into what we hope will be a very successful era for Cove Cricket Club.

My Hope is that we give Dubs our full support as he settles into his new role. I believe this is a great opportunity for our club to have some fresh ideas and new ways of operating as well as adding a fantastic cricketer and coach to our Amazing cricket club.

We Wish you every success for the coming season!

Nick Randall

Club Captain
