ABOUT THE CLUB

We are proud to be an ECB focus club, providing junior cricket for all abilities and genders from the age of 5 through to 17. With a growing number of Level 2 coaches, a group of up and coming young helpers and incredibly efficient team managers, we provide an environment that allows our young players to experience the benefits of playing team sport. Our experienced coaches operate within a system that has allowed for the rapid development of young players, some of whom go on to represent their District, County or Region and our own Men's and Women's First Teams.

From the top of the club down, our objective is to be part of our community and we have strong links with local schools within our local area. By providing a safe space for young people to experience and play sport, we are proud to have seen many of our young players continue to grow our sense of serving others through volunteering within our own community, nationally and overseas, spreading the Cove Cricket Club message far and wide.

WELCOME TO COVE CRICKET CLUB

The aim of this pack is to provide parents & players, both new & existing with information about the club, the coaching & what you & your children can expect.

Junior Season 2024

This summer will see all our Junior teams (u9's and upwards) compete in the inaugural Hampshire Junior Cricket Championship.

- Age-appropriate cricket ('Pairs' and Standard formats), designed to encourage maximum participation at every skill level
- Opportunities to play 'Softball' and, when ready, 'Hardball' cricket
- New additional Summer competition from 1st August (demand permitting)

Training

In the Summer, training usually takes place on Monday or Friday evenings, depending on age, starting after the Easter holidays, through to the end of the school term.

Winter (Indoor) training, normally occurs February and March.

LOVE IT, LEARN IT, LIVE IT

From the age of 5 to 11 we will engage young people in cricket, supporting them in developing their basic skills and introducing them to the game competitively, enabling them to Love It.

From 12-18 we will help our players Learn It, by building on their solid foundations and teaching them the tactical, physical, mental and technical sides of the game. Preparing them for adult cricket.

At 18+ we encourage all our members to Live It, by realising that cricket is a lifelong game for them. The junior players of today are our senior players, scorers, coaches and umpires of tomorrow.

Safeguarding

welfare@covecricketclub.co.uk

My name is Sam Short and I am the safeguarding officer for Cove Cricket Club.

I have two young boys who play in the Junior section of the club, and my husband has played for Cove since he was a child, as such the cricket club is basically our second home.

I am also a secondary school PE teacher and head of house so deal with safeguarding on a daily basis. If you have any questions or concerns please do not hesitate to contact me. There is no such thing as a stupid question where safeguarding children is involved.

I look forward to meeting you all.

AS CRICKET IS A SUMMER SPORT, WE CAN OFTEN BE PLAYING IN WARM CONDITIONS. WE ENCOURAGE YOU TO ENSURE THAT YOUR CHILD HAS ADEQUATE PROTECTION FROM THE SUN AT ALL TIMES (SUNCREAM, HAT & WATER BOTTLE)
