## The Spirit of Cricket

**Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its laws but also within the spirit of the game.**

**It is the responsibility of the Captains to ensure that all matches are played within the spirit of the game.**

### The Spirit of the Game involves respect for:

- Our opponents.
- Our own Captain and team.
- The role of the Umpires.
- The game's traditional values.

### It is against the Spirit of the Game:

- There is no place for any act of violence on or off the field of play.
- To dispute an Umpires decision by word, action or gesture.
- To direct abusive language towards and opponent or umpire.
- To indulge in cheating or any sharp practice, for instance
  - To appeal knowing the batsman is not out.
  - To advance towards an umpire in an aggressive manner whilst appealing.
  - To seek to distract an opponent either verbally or by harassment under the ill-timed guise of enthusiasm and motivation of one's own side.
